Acceptable Use of Technology Communication

Technology Resources
My student and I have read and agree to abide by the **Acceptable Use Agreement** as stated in the Student Code of Conduct. In consideration for the privilege of my student using the District's technology resource system and internet, and in consideration for having access to the public networks,
I hereby release the District, its operators, and any institution with which they are affiliated from any and all claims and damages of any nature arising from my student's use of or inability to use the system, including, without limitaion, the type of damage identified in the District's policy and administrative regulations.

By checking this box, you as the Parent/Guardian understand and give permission for your student to participate in the District's technology resource system. 1

If you do not check this box, your student will NOT have internet access at school which may be needed to complete assignments.

Google Apps for Education:
Please check and initial below to authorize your student under the age of 13 years to be assigned a Duncanville ISD account. This means my student will receive an email account and access to Google Drive, Calendar and Google Docs.

I confirm that I have read and understand Google Apps for Education and the Guidelines for Responsible Use for Google Apps for Education. 2

I understand that by participating in Google Apps for Education, the only information about my student that will be collected and stored electronically is their username and password.

I understand that I may ask for my student's account to be removed at any time.

I understand that my student will have an email account. Grades 2-6 will receive emails INSIDE the District only. Grades 7-12 will be able to send and receive emails INSIDE and OUTSIDE the District. The ability to email OUTSIDE of the District is restricted by technology to approved addresses in accordance with District policy and the Student Acceptable Use Policy. ALL email is monitored in accordance with district policy and state laws.

I understand that I can learn more about the privacy and security of my student who will use Google for Education by visiting:

The screenshot shows the Skyward Family Access interface for a Parental Permission Form. At the top left is the Skyward logo and 'Family Access' text. At the top right are links for 'My Account', 'Contact Us', and 'Exit', along with a 'Select Language' dropdown. A left sidebar contains navigation links: Home, New to District Enrollment, Online Forms (highlighted), Calendar, Gradebook, Attendance, Student Info, Schedule, Test Scores, Activities, REPORTS, and Login History. The main content area is titled 'Parental Permission Form' and includes a school name '(Duncanville High School)' and a 'Print' link. The primary heading is 'Step 2. Complete Parental Permission Form (Required)'. Below this, a confirmation message asks if the user is sure to complete the form for 'Hazel'. A 'Review Parental Permission Form Steps' section shows 'Step 1) Parental Permissions and Acknowledgement Form' as 'not completed'. There are input fields for 'Guardian Name:' and 'Guardian Address:'. A blue arrow points to a 'Submit Parental Permission Form' button. On the right, there are buttons for 'Previous Step', 'Next Step', and 'Close and Finish Later', along with a sidebar for 'Update Parental Permission and Acknowledgment Form' with options for '1. Parental Permissions and Acknowledgement Form' and '2. Complete Parental Permission Form'.
